that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Green River Valley District shall make timely amendment to any prior response if Green River Valley District obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Green River Valley District fails or refuses to furnish all or part of the requested information, Green River Valley District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Green River Valley District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Green River Valley District's Response to Commission Staff's First Request for Information (Response to Staff's First Request), Item 2. Provide the amount billed to each customer for the purchase, installation, maintenance, or any other cost associated with individual pumps.

2. Provide the names, addresses, and amount billed for purchase, installation, maintenance, or other cost associated with an individual pump for any other current or previous customer of Green River Valley District.

3. Provide the legal basis for requiring customers to incur extra costs for equipment necessary to meet the minimum standards of 807 KAR 5:066, Section 5(1).
