7. Should Delta purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports, then the supplier, cost, and amount must be documented in its cover letter to the Commission.

8. The rates as proposed by Delta and set forth in the Appendix to this Order are fair, just, and reasonable and should be approved for final meter readings by Delta on and after April 22, 2020.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Delta and set forth in the Appendix to this Order are approved for final meter readings on and after April 22, 2020.

2. Within 20 days of the date of entry of this Order, Delta shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

3. This case is closed and removed from the Commission's docket.
