ORDER

On October 21, 2020, the Commission issued an Order granting a Certificate of Public Convenience and Necessity to Adair County Water District to construct a water system improvements project and approval of the proposed plan of financing the project. The Appendix to that Order incorrectly lists the monthly water rates for a 2-inch meter as “Next 15,000 gallons”.

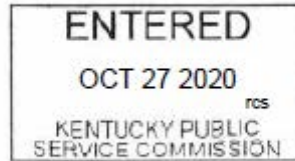

Finding that the October 21, 2020 Order’s Appendix should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. For a 2-inch meter, “Next 15,000 gallons” is stricken and is replaced with the following language:

“Next 9,000 gallons”.

2. All other provisions of the Commission’s October 21, 2020 Order that are not in conflict with the terms of this Order shall remain in effect.
