ORDER

On October 22, 2020, the Commission issued an Order opening this proceeding and investigation. The Order, in the last sentence of the first paragraph on page 6, contained an incorrect date: September 29, 2020. The correct date should be October 29, 2020.

Finding that the October 22, 2020 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. The last sentence of the first paragraph on page 6, is stricken and is replaced with the following language:

Unless Salt River Electric's billing cycle ended on October 2, 2020, Salt River Electric mailed its bills that day, and postpay members failed to pay both the current bill for service rendered after October 1, 2020, and the payment under the partial payment plan, the conceivably earliest date Salt River Electric could begin disconnections of its postpay members would be October 29, 2020.

2. All other provisions of the Commission's October 22, 2020 Order that are not in conflict with the terms of this Order shall remain in effect.
