ORDER

On November 25, 2020, Louisville Gas and Electric Company (LG&E) submitted an application seeking, among other things, an adjustment of its electric and gas rates based on a forecasted test period. The application proposed that the new rates become effective on January 1, 2021. By letter dated December 2, 2020, the Commission notified LG&E that its application had been accepted for filing as of the date of submission.

Having reviewed LG&E's application, the Commission finds that an investigation will be necessary to determine the reasonableness of the proposed rates and that an investigation cannot be completed by January 1, 2021. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed rates for six months, up to and including June 30, 2021.

The Commission further finds that a procedural schedule should be established to review the reasonableness of the proposed rates. The procedural schedule is attached hereto as an Appendix to this Order and is incorporated herein.

IT IS THEREFORE ORDERED that:

1. LG&E's proposed rates are suspended for six months, up to and including, June 30, 2021.

2. The procedural schedule set forth in the Appendix to this Order shall be followed.

3. a. Responses to requests for information shall be appropriately bound, tabbed and indexed, with the original and an electronic version to the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

f. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

4. Any party filing a paper with the Commission shall file an original in paper medium and an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. The original in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's March 16, 2020 and March 24, 2020 Orders in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission. The Commission expects the original documents to be filed with the Commission within 30 days of the lifting of the current state of emergency.

5. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without undue

complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention must have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest. In addition, any motion to intervene filed after December 23, 2020, shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

6. LG&E shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2). In addition, the notice of hearing shall include the following statements: "This hearing will be streamed live and may be viewed on the PSC website, [psc.ky.gov](http://psc.ky.gov)"; and "Public comments may be made at the beginning of the hearing. Those wishing to make oral public comments may do so by following the instructions listed on the PSC website, [psc.ky.gov](http://psc.ky.gov)."

7. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

8. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

9. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
