INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File No. 2020-00016

FROM: Nancy J. Vinsel, Assistant General Counsel

DATE: August 25, 2020

RE: Informal Conference of August 25, 2020

An informal conference (IC) was conducted by videoconference on August 25, 2020. Attached is a copy of the sign in sheet.

The purpose of the IC was to discuss the methodology to be applied during the Fuel Adjustment Clause (FAC) biennial review for the portion of a purchased power agreement (PPA) assigned to native load. Representatives of Louisville Gas and Electric Company (LG&E) and Kentucky Utilities Company (KU) (jointly, LG&E/KU) made a PowerPoint presentation, discussing historical FAC methodologies, explaining their position that After-the-Fact Billing was an accounting treatment and not applicable to a review of economy purchases in an FAC review, and proposing an alternative set forth in the attached presentation.

Commission Staff, the Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention (Attorney General), and representatives of LG&E/KU discussed the next steps in processing this proceeding. The parties and Staff agreed that the procedural schedule should remain in abeyance at this time. LG&E/KU will file direct testimony in support of their proposed methodology. Staff will discuss holding a formal conference with the Commissioners and report back to the parties.

There being no further discussion, the IC was then adjourned.
