RE: Atmos Energy: Case 2020-00023

FEB 04 2020

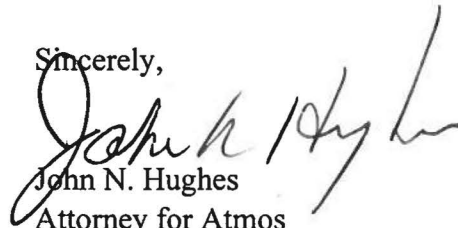

PUBLIC SERVICE
COMMISSION

Dear Mr. Chandler:

On January 23, 2020, Atmos Energy filed an application for approval of a special contract, which was submitted with a petition for confidentiality. The cover letter included with the application inadvertently included the name of the customer. On January 31, 2020, Atmos submitted a copy of the original unredacted cover letter requesting the substitution of the unredacted cover letter. To assure the confidentiality of the customer, please substitute the attached redacted copy of the cover letter for the unredacted cover letters included with the prior filings.

If there are any questions about this matter, please contact me.

Sincerely,

John N. Hughes

RE: Special Contract/Case No. 2020-00023

Dear Sir or Madam:

Please file attached an original non-redacted and ten (10) redacted copies of a revised cover letter for filing in the above proceeding.

The cover letter previously tendered in this proceeding by Atmos Energy Corporation (“Company”) inadvertently failed to redact the identity of the special contract customer. The Company respectfully requests that the attached redacted be substituted for the originally filed cover letter.

Very truly yours,

Mark R. Hutchinson
