Public Service Commission:

My name is Carole Harris and I live in Middlesboro, Ky.

Our water company, Water Service Corp. of Ky, is planning a 38% increase in our water bills by July 1, 2020.

I am now retired and live on a fixed income and cannot afford an increase that size. I am writing to ask that you please intervene in this matter.

We have a lot of poor people in this area and we had a water increase last year. Please help.

Thank you,

Carole Harris
