ABOUT: Water Serv Ky rate increas:
MBoro Ky.

I am just a resident that gets water from WSC/KY.

It's already too high. ~
surely you won't allow near
a 50% increase. More than
half people here are out
of work including me.

If anything they should cut
the bill. They only distribute
the water. It's in the lake.
At this time this increase
would be really bad
