RE: Case No. 2020-00166

To Whom It May Concern,

Please be advised that we are
against the 38 to 40 % increase that
the water service corp. of Kentucky is
proposing beginning in July, 2020. We
are in our 80's and on a fixed
income. Most of the people in
this water district are either elderly
or low income or both. I
understand companies need to make
increases some times but not at
38 to 40 % . That sounds way out
of line to me.
Thank for taking this into
consideration when making your decision
