To The public Service Commission

I recieved a Letter From WATER Service
Company OF KENTUCKY DATED 1-June-20
THAT SAID I had 30 DAYS TO respond TO you,
I received letter on 6-28-20, This WAS NOT
Enough time TO respond, They are asking For
38.32% increase.

This is OUTRAGIOUS, I AM on Fixed income
I think rates are ALRedy TOO High, I know
I'm NOT the only one THAT feels THIS way.
They charge us A FLAT RATE charged TO
US no MATTER WHAT, I Strongly disagree
with THIS Increase. please donT let
Them do this TO us.
