Utility Name: Water Service Corporation of Kentucky

State the nature of your concern: To Whom It May Concern: I am the priest at St. Mary's Episcopal Church in Middlesboro, KY and I'm alarmed to hear that there is planned a 45% increase in fees for water. In January 2019 there was a 35% increase for water utilities, which means a 70% increase in less than two years. I am formally registering a complain that the increase in not necessary and will cause undue financial burdens on businesses, faith communities, and households.

Have you contacted the utility about the problem: No
