Subject: PSC Docket 2020-0174

Please reject Proposed rate hike in PSC Docket 2020-0174. I am an elderly lady trying to make ends meet in this expensive time. They are already asking for another \$5.00 a month because without it we have to cover some repairs they have always paid on their side. It's hard enough to afford groceries without another rate hike. I keep my air on 78, take fewer and very short showers, do less laundry, etc. to use less electricity. Please reject this proposal.

Thank you for listening,
Bette Parks
