To Whom It May Concern:

I write this letter on behalf on my constituents in District 84 in regards to the increase in the cost of electricity. The COVID-19 pandemic has presented us with unprecedented challenges. Many of constituents have not received unemployment benefits, and others continue to have issues with missing payments. This has caused hardship for many families.

As we continue to work to find solutions to the challenges facing us, this pandemic has allowed us to discuss the potential for improvements in multiple facets of the state's system. It will enable us to be better prepared for other unexpected events Kentucky may face.

The constituents of the district I serve cannot withstand an increase in the cost of electricity. I respectfully ask for the increase hearing to be postponed as we face the challenges of COVID-19.

Please feel free to contact me any time.

Sincerely,

A handwritten signature in cursive script that reads "Chris Fugate".
