Mr. Kent A. Chandler  
Executive Director  
Kentucky Public Service Commission  
211 Sower Boulevard  
Frankfort, Kentucky 40602

Dear Mr. Chandler:

Please find enclosed for electronic filing with the Commission, South Kentucky's Tariff for The People Fund R-32. Both clean (signed) and crossed-out versions of the tariff are included herein.

The People Fund is a program which allows cooperative members to round up their monthly total payment amount to the next highest dollar (\$26.40 to \$27.00 for example). South Kentucky RECC would like to enhance The People Fund tariff by allowing members to not only voluntarily round up to the next highest dollar amount, but also be able to contribute additional whole dollar amounts they desire to their monthly bill to help families and communities throughout the cooperatives service area.

Please contact me if you have any questions.

Respectfully,

  
Michelle D. Herrman  
Vice President of Finance
