RE: Case No. 2020-00208  
Northern Bobwhite Solar, LLC  
(Merchant Plant)

The Board staff has reviewed the application in the above case and finds that it meets the minimum filing requirements and has been accepted for filing. Enclosed please find a stamped filed copy of the first page of this filing. This case has been docketed and will be processed as expeditiously as possible.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Birdwell".

**NORTHERN BOBWHITE SOLAR LLC'S  
APPLICATION FOR CERTIFICATES OF CONSTRUCTION**

Northern Bobwhite Solar LLC (“the Applicant” or “Bobwhite”) submits this application (“Application”) respectfully requesting certificates of construction from the Kentucky State Board on Electric Generation and Transmission Siting (“the Board”) for a merchant electric generating facility (the “Project”) and that portion of the Project that is the 161-kilovolt transmission line connecting the Project’s step-up substation and an existing substation adjacent to the Project (the “Gen-Tie Line”). In support of this Application, Bobwhite states as follows:

1. The proposed Project will be an approximately 96 MW alternating current (“MWac”) photovoltaic (“PV”) electric generating facility. The Project is to be located in unincorporated Marion County, KY, north of the City of Lebanon, KY and east of Highway 55 at approximate coordinates 37°36’56.80” N, -85°13’45.57” W. Electricity generated by the Project will be sold through the PJM Regional Transmission Organization. The Project will interconnect to the transmission system via the Gen-Tie Line. The Project’s Gen-Tie Line will be approximately 700 to 1,000 feet in length.
