CASE# 202000215

To Whom It May Concern:

I am a resident of rural Kentucky. I am writing this letter in support of Kenergy's plan to potentially provide high speed internet via Broadband to rural Crittenden County. I appreciate any consideration you can give us in this matter since this service has been marginal for several years, especially in the rural areas.

I hope this finds you well. I am thanking you in advance for your consideration.

Sincerely,
