RE: City of Harrodsburg Rate Increase

Dear Ms. Pinson:

Enclosed please find the notice and rate sheet for the City of Harrodsburg regarding the increases in rates to Lake Village Water Association and North Mercer Water District. This increase was passed by the commission in June of 2020 to increase by the CPI (2020 – 2.3%) every year thereafter.

The City of Harrodsburg has been in the process of updating the water and sewer treatment plants, updating service lines, expanding service lines. In addition, we are changing out all of the meters to a fixed based register. This rate increase is necessary to meet the requirements for the funding of these projects.

Thank you for your consideration and assistance in the matter.

Respectfully,

Art Freeman, Mayor  
City of Harrodsburg
