Utility Name: BLUEGRASS WATER

State the nature of your concern: Hello, You need to know my concern? Well it's the doubling or tripling the water rates on AIRVIEW DR. For your the general information , we don't live in " AIRVIEW ESTATES" . This is not a "GATED COMMUNITY".. The homes here are single family with which are occupied by mostly retirees, which live on a fixed income! I don't care about these so-called improvements your making or intend to make. The costs seem way out of line. My social security isn't going up and I just moved here from a GATED COMMUNITY UNDER HOA. I'm a Veteran retired with a wife who is also retired and a special challenged child living with us. I know there are more people living on this street that have similar situations or worse. I think you all need to look at the full picture of the costs and effect before many people just walk away from the area. I haven't experienced any serious problems since living here with water or sewer even though the home is 38 years old. I will be facing hardships in making the payments with your idiotic figures of increase! This is an election year and I figure you are doing this to cover policies of the that idiot we have in office in Frankfort.

Have you contacted the utility about the problem: No
