To Whom It May Concern:

Re: Proposed rate hike

We, the residents of Kingswood South, being serviced by the Kingswood Development Sewer service, would like to appeal the the proposed rate increase. We feel that an increase of 147% is extremely excessive. During the present time many incomes have been drastically affected by the pandemic. We would like to appeal to the board to either table this request until economic conditions improve or suggest a more reasonable increase that would not put a burden on the family budget.
