Bluegrass Water  
Case # 2020-00290  
Center Ridge

To whom it may concern:

We have property in Pine Bluff Dub. We do not live there, as with a lot of others whom this is affecting. It is Recreational only! All we have is a outside water spicket. We use less than 3 hundred gallons a year. We are older & are on a set income & can't afford this kind of increase. This is just wrong. We feel that in this case there should be considerations for those of us that are not full time residents.  
Thank You, Steve Smith
