

11/30/20  
Ref: Case Number 2020-00290

I received a letter from Bluegrass Water stating they were in the process of acquiring Delaplain Disposal.

My rates are currently \$12.50 mo, they will be going up to \$96.14 mo, a 669.1% increase. This is insane and outrageous.

I am retired on a fixed income and cannot afford this increase.

There needs to be a public hearing on this because it is totally not acceptable.
