Subject: RE: Case #2020-00290

I wish to file a formal complaint against Bluegrass Water Utility Operating Company, LLC (Bluegrass Water UOC, LLC) with regard to their KPSC filing of 06-30-2021, Applicant's Notice of Intention to Implement Rates.

It is absurd that they should be allowed to proceed with their proposed rate increases while the case remains open, and their application is still being reviewed by the commission. What is the point or purpose of the Kentucky Public Service Commission

if corporations can simply do as they please anyway?

Furthermore, the proposed rate increases are unjustified, unreasonable, and greatly exceed the usual and customary increases of water and sanitary sewer user fees required for system upgrades. Please take immediate action to protect Kentucky consumers from this unscrupulous corporation!

Thank you,

Larry Averitt
