PUBLIC SERVICE
COMMISSION

Dear Public Service Commission;

I am writing in regard to the application by Kentucky Utilities Company to raise the rates it charges its customers. The Case Number for this application is 2020-00349.

I ask that you reject this application because it would raise residential rates by 10.68%. This is an outrageous amount that far exceeds the rate most person's income increases.

Perhaps an occasional one or two percent raise would be appropriate but 10.68% is egregious. Please do not let this happen!

Sincerely,
John D. Boone
