Reference to Case No. 2020-00349

Dear PSC,

DEC 23 2020

PUBLIC SERVICE
COMMISSION

I am writing this letter in reference to Case No. 2020-00349 in "STRONG OPPOSITION" to KU Electric's proposed 10.4% Rate increase.

I understand that everyone's costs have gone up and everyone wants a raise. Everyone's wages have gone up very little if any and many people don't have a job at all.

I would support a much smaller, reasonable increase of 1 to maybe 3% but a all at once immediate 10.4% increase is way too much.

Please Review closely with the electric customers in mind and dial this excessive rate increase down to a reasonable level. (1 to 3%) before placing such a heavy burden on Ky families. Thank You!!

Sincerely

Dominic A. Whelan
