*RE: Kentucky Utilities Case #2020-00349*

*Dear Sirs:*

*At a time when so many are still out of work, K.U. has NO business requesting another increase in fees. On top of that, they have the gall to want over 10%! They were included in the "essential" businesses. Their work and billing has continued. Others were not as fortunate.*

*I am against allowing a raise in their fees.*

*Sincerely,*

*Earleen S. Ginter*
