Sir/Ma'am,

I'm writing to express my opposition to the LG&E rate increase proposed for 1 January 2021.

It is completely irresponsible for the government to create a budget shortfall by allowing people to continue service without paying, then turn around and increase rates.

The "Economic Relief Surcredit" is a nice euphemism for taking money from those who pay their bills and giving it to those who don't.

If this, and other measures intended to involuntarily redistribute wealth, continue we will take steps to move our resources elsewhere.

Respectfully,

Brian Stoops

I am writing to understand why LG&E is asking to increase our rates/tarrifs. 9 and 11.8% are quite an increase.

Thank you,
Concerned customer,
Mike
