CONCERNING: LOUGAS + ELEC (LG&E)

CASE # 2020-0061

CASE # 2020-0350

CASE #S ?? IN THE LAST 15 YEARS:

Please do not approve anymore rate increases for LG&E.

It seems they are asking for rate increases often.

Case # 2020-0061 was requested in March 2020 and began in Oct 2020

Case # 2020-0350 was requested in November 2020 and is to become effective in Jan 2021. This same request for this went in effect in May/June 2020. Now they are asking to increase it again.

I think you should look thru your records and see how many rate increases they have gotten in the last 15 years.

DO NOT APPROVE THIS ONE!

ENOUGH IS ENOUGH

Sincerely
