To Whom It May Concern:

I am requesting that electricity and natural gas rates not be raised at this time.

The reasons are as follows:

- 1) Due to the pandemic, many people have been affected in loss of income through job loss.
- 2) Senior citizens who are living on a fixed income would find it extremely difficult in meeting this expense along with other expenses.

If rates must be raised, please consider waiting until people have returned to work and have gotten back on their feet.

My address can be found in the upper right hand corner.

Thank you,
Mary Justina McWilliam
