To whom it may concern

I am an 75 year old woman, living on a fixed income. For the last 20 years my basic gas bill was about 18-20 dollars. It dropped to \$12.12 this year (2020) (?) Why? Oh, yes, a business can't stay in business, just breaking even for 29 years. I for one can't pay \$7.48 basic rate. Most people of your here in this community live on a fixed income. I've lived in Stanville, same place, 47 yrs. Please Help!!!!
