PUBLIC SERVICE
COMMISSION

Dear Ms. Vinsel:

The intent of this letter is to clarify a written statement in PSC Case# 2021-00127, specifically bullet point four (4) on section B, page seven (7), which is attributed to Dr. Paul Coomes.

This this end, Hardin County Government **IS NOT** negotiating an agreement in relation to Payment in Lieu of Taxes (PILOT) or Industrial Revenue Bonds (IRb). We communicated with Rhudes Creek Solar, LLC officials in December 2020 we do not wish to negotiate or consider these agreements pending further consideration of the project by the Hardin County Planning and Zoning Commission.

Furthermore, we later relayed that we strongly prefer Rhudes Creek Solar, LLC officials explore options with the Kentucky Economic Development Finance Authority (KEDFA), which we understand is occurring.

Thank you for allowing us to clarify the record in this case.

Sincerely,

Daniel E. London
Hardin County Deputy Judge/Executive
