State the nature of your concern: Delta Gas has proposed an exorbitant increase for its customers. I am a residential customer and am employed by a non-profit - and we both use gas for our heating and water heating. The proposed increases are so unrealistic! 40.2% 42.3% ON THE MONTHLY CUSTOMER CHARGE AND 31.8 - 32.2% for the consumption charges.

This is crazy! Kentuckians are suffering and with the recent price increases in food and gasoline this major increase bid by Delta Gas should not be granted!!! My husband is retired, my sister lives with us and is disabled and I work for a non-profit (Library) and pick up odd jobs when I can. Please hold any increase to less than 3%. Thank you!

Have you contacted the utility about the problem: No
