Utility Name: Kentuciy Power Co (AEP)

State the nature of your concern: AEP (Kentucky Power) is a monopoly. They have no competition. Their desire to sell the KY Power assets to Liberty, a non-local/regional entity is without foundation. The KY Power customers need a company that will be local to continue to provide reliable, inexpensive power to the region it serves. By selling assets to an out of state company is ridiculous. Not necessary. I urge you to reject AEP's request to sell KPC to Liberty.
