

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS)	CASE NO.
ADJUSTMENT FILING OF B & H GAS)	2021-00100
COMPANY)	

ORDER

On February 24, 2021, B & H Gas Company (B & H) filed its Gas Cost Recovery (GCR) rate report with rates proposed to be effective April 1, 2021. B & H's previous GCR rate was approved in Case No. 2020-00381.¹

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. B & H's GCR report includes rates designed to pass on to its customers, its expected change in wholesale gas costs from its supplier B&S Oil & Gas Company (B&S Oil), an affiliate pursuant to KRS 278.010(18). Along with its GCR rate report, B & H provided supplier invoices from Diversified Energy Marketing (Diversified). The Commission is currently investigating B & H's Purchase Gas Cost Adjustment (PGA) Clause Tariff as part of Case No. 2020-00294.²

2. B & H's GCR report sets out an Expected Gas Cost (EGC) of \$5.2418 per Mcf, which is a decrease of \$.2529 per Mcf from its previous EGC of \$5.4947 per Mcf.

¹ Case No. 2020-00381, *Electronic Purchase Gas Adjustment Filing of B & H Gas Company* (Ky. PSC Dec. 21, 2020).

² Case No. 2020-00294, *Electronic Purchased Gas Adjustment Filing of B & H Gas Company* (Ky. PSC Oct. 27, 2020).

3. B & H's GCR report sets out no Refund Adjustment (RA) as B & H has appealed the Commission's Orders in Case No. 2015-00367 to Franklin Circuit Court, and moved the Circuit Court to temporarily enjoin the RA from going into effect pending a final adjudication of the appeal.³ On September 19, 2017, the Franklin Circuit Court granted a temporary injunction, staying the implementation of the (\$3.0000) per Mcf RA pending final adjudication of B & H's appeal of the Commission's final Order in Case No. 2015-00367.⁴ Accordingly, the RA will not be included in B & H's April 2021 GCR rate.

4. B & H's GCR report sets out a GCR rate of \$5.0117 per Mcf. B & H erroneously put an incorrect rate in the EGC and the GCR portion of the component section of the Summary page on Schedule 1. B & H's corrected GCR rate is \$5.2418 per Mcf, which is a decrease of \$.2529 per Mcf from its previous GCR of \$5.4947 per Mcf.

5. The rates set forth in the Appendix to this Order are fair, just and reasonable, and should be approved for service rendered by B & H on and after April 1, 2021.

6. Should B & H purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

IT IS THEREFORE ORDERED that:

1. The rates proposed by B & H are denied.

³ Franklin Circuit Court, Case No. 17-CI-722, *B & H Gas Company and B&S Oil and Gas Company v. Kentucky Public Service Commission and Attorney General of the Commonwealth of Kentucky, By and Through His Office of Rate Intervention*.

⁴ Case No. 2015-00367, *An Investigation of the Gas Costs of B & H Gas Company Pursuant to KRS 278.2207 and the Wholesale Gas Price It is Charged by Its Affiliate, B & S Oil and Gas Company, Pursuant to KRS 278.274* (Ky. PSC May 4, 2017).

2. The rates set forth in the Appendix to this Order are approved for service rendered on and after April 1, 2021.

3. Within 20 days of the date of entry of this Order, B & H shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

4. This case is closed and removed from the Commission's docket.
