ORDER

On May 25, 2021, AEUG Boonesborough Solar, LLC (AEUG Boonesborough) filed a notice of intent to file an application for a Construction Certificate for an approximately 65-megawatt merchant electric solar generating facility to be located in Madison County, Kentucky. A renewed notice of intent was filed on November 24, 2021, April 26, 2022, and May 1, 2022. To date, an application has not been filed. On March 5, 2025, a correspondence was filed into the record requesting that AEUG Boonesborough file a status report within 30 days because the notice of intent that was filed for the case has expired. On April 16, 2025, AEUG Boonesborough filed notice that it was withdrawing the notice of intent to file an application. AEUG Boonesborough requested that the case be closed and removed from the Siting Board's docket.

Since AEUG Boonesborough withdrew its notice of intent, the Siting Board finds the case should now be closed and removed from the docket.

IT IS THEREFORE ORDERED this case is closed and removed from the Siting Board's docket.
