SITING BOARD STAFF'S POST-HEARING REQUEST FOR INFORMATION  
TO RUSSELLVILLE SOLAR LLC

Russellville Solar LLC (Russellville Solar), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested is due on July 11, 2022. The Siting Board directs Russellville Solar to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the

<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Russellville Solar shall make timely amendment to any prior response if Russellville Solar obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Russellville Solar fails or refuses to furnish all or part of the requested information, Russellville Solar shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Russellville Solar shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide a copy of the final geotechnical report.
2. Provide a copy of the hydrology report and the correspondence with the neighboring landowner regarding the hydrology report.
3. Provide a copy of the United States Army Corps of Engineers Wetland Delineation Report.

4. Provide a copy of any correspondence or reports generated with the United States Department of Fish and Wildlife.

5. Provide a copy of the Industrial Revenue Bond and Payment In Lieu of Taxes agreements.

6. The Site Assessment Report, Exhibit D contained a Preliminary Site Layout. Provide any updates to the Preliminary Site Layout.

7. Submit an enlargement of the AP Miller Road area and indicate the location of the county road, other existing gravel roads, the proposed fence line, and any easements. Distinguish by symbol the required easement for a county road, leased easements that are part of the original boundary definitions of the leased property, any other types of easement agreements that the applicant has made, and any proposed buffers by the applicant as part of the project. Include copies of all agreements involving easements along AP Miller Road.

8. Provide a copy of the decommissioning plan as soon as it is available.

9. Provide the anticipated frequency that personnel will be on site during operations to monitor the panels.
