CASE NO.  
2021-00387

ORDER

On February 16, 2022, Grayson County Water District (Grayson District) filed an application pursuant to KRS 278.020, KRS 278.300, and 807 KAR 5:001 requesting approval of Grayson District's acquisition of the city of Caneyville's water system.

KRS 278.020(7) states that the Commission shall render a decision on an application for the acquisition of control of a jurisdictional utility within 60 days after the application was filed, unless it is necessary to continue the application for up to 60 additional days, for good cause. Based upon a review of the application, the Commission finds that an investigation will be necessary and that the investigation cannot be completed by April 17, 2022. Therefore, the Commission will continue the application for up to 60 additional days, up to and including June 6, 2022.

The Commission also finds that a procedural schedule should be established for the orderly processing of this case. A procedural schedule is set forth in the Appendix to this Order.

IT IS THEREFORE ORDERED that:

1. This case shall be continued for 60 additional days, up to and including June 6, 2022.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.
3. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission.
4. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention must have an interest in the rates or service of a utility, as

<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

those are the only matters that are subject to the Commission's jurisdiction. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest. In addition, any motion to intervene filed after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

5. Grayson District shall give notice of any scheduled hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, [psc.ky.gov](http://psc.ky.gov)"; and "Public comments may be made at the beginning of the hearing. Those wishing to make oral public comments may do so by following the instructions listing on the PSC website, [psc.ky.gov](http://psc.ky.gov)." When the publication is requested, Grayson District shall forward a duplicate of the notice and request to the Commission.

6. At any public hearing in this matter, neither opening statements nor summarizing direct testimonies shall be permitted.

7. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

8. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

9. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
