

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF WESTERN)	
FLEMING COUNTY WATER DISTRICT FOR A)	CASE NO.
RATE ADJUSTMENT PURSUANT TO 807 KAR)	2021-00406
5:076)	

ORDER

On September 19, 2022, the Commission issued an Order in this matter approving the water rates recommended by Commission Staff in its April 29, 2022 report and accepted by Western Fleming County Water District (Western Fleming District) in its May 6, 2022 written comments to the Commission Staff Report. Appendix A of the September 19, 2022 Order contains two typographical errors. The subheading under “Monthly Water Rates” that reads “5/8- x 3/4-Inch Meter” should read “All Meters.” Under the subheading “Multiple Connections” the rate for four connections was inadvertently omitted.

Finding that the September 19, 2022 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. The rate schedule contained in Appendix A to the September 19, 2022 Order is stricken and replaced with the rate schedule contained in the Appendix to this Order.
2. All other provisions of the Commission’s September 19, 2022 Order that are not in conflict with the terms of this Order shall remain in effect.

PUBLIC SERVICE COMMISSION

Chairman

Vice Chairman

Commissioner

ATTEST:

Executive Director
