ORDER

On June 15, 2022, Blue Moon Energy LLC (Blue Moon Energy) filed a motion requesting witnesses Scott Dawson, Karol Kamasinski, and Fletcher Magnum be permitted to participate virtually at the hearing scheduled for June 24, 2022, at 9 a.m. Eastern Daylight Time. Blue Moon Energy stated that counsel and all other witnesses would be present in person at the hearing. Blue Moon Energy stated that virtual participation of these witnesses would not prejudice the Siting Board.

Based upon the motion and being otherwise sufficiently advised, the Siting Board finds that Blue Moon Energy has established good cause to grant the motion to allow witnesses to participate virtually in the June 24, 2022 hearing scheduled in this case. The Siting Board also finds that counsel for Blue Moon Energy shall contact Siting Board Staff to schedule a technology test to ensure that there will not be problems with witnesses' virtual participation.

IT IS THEREFORE ORDERED that:

1. Blue Moon Energy's motion to allow witnesses to participate virtually in the June 24, 2022 hearing is granted.

2. Siting Board Staff shall contact participants with instruction for participating remotely.

3. Before June 23, 2022, counsel for Blue Moon Energy shall arrange a technology test with Siting Board Staff to ensure that all required technology is working properly.
