ORDER

On September 15, 2022, Madison County Utilities District (Madison District) filed a motion seeking an extension of time of two weeks to file responses to the Commission's post-hearing data request. In support of its motion, Madison District stated that it needed more time to provide complete answers to the data request.

The Commission finds that good cause has been shown to grant Madison District's request. The Commission notes that the continuance will not result in prejudice to any party, and there is no statutory deadline to process this case. The Commission also desires complete, thorough answers to the post-hearing data request. On its own motion, the Commission finds that the deadline for the brief(s), should the parties file them, shall also be extended two additional weeks.

IT IS THEREFORE ORDERED that:

1. Madison District's motion is granted.
2. Responses to post-hearing data requests shall be filed on or before September 30, 2022.

3. Counsel for any party wishing to file a memorandum brief addressing any issue raised in the hearing before the Commission, whether it be within the Commission's jurisdiction or not, shall file the brief on or before September 30, 2022. Counsel for any party may file jointly with another party so long as both attorneys sign the filing and represent it as a joint submission.
