Re: Siting Board Case No. 2021-00170

Dear Judge McNeill:

As the Chairman of the Kentucky Public Service Commission (PSC), I also serve as the Chairman of the Kentucky State Board on Electric Generation and Transmission Siting (Siting Board). Therefore, it is my duty to inform you that, on April 13, 2021, the Siting Board received a notice of intent from AEUG Mason Solar, LLC to file an application requesting a certificate to construct an approximately 250 megawatt merchant electric solar generation facility Mason County, Kentucky.

The five permanent members of the Siting Board are myself; PSC Vice Chairman Kent A. Chandler; PSC Commissioner Talina R. Mathews; Secretary of the Energy and Environment Cabinet Rebecca W. Goodman (or her designee);¹ and Interim Secretary of the Economic Development Cabinet Larry Hayes (or his designee).²

In addition to the permanent members of the Siting Board, pursuant to KRS 278.702(1)(d)(1), the Governor must appoint two ad hoc public members to serve on the Siting Board for the duration of the case. Based on the facts as presented in the application, one of the ad hoc appointees must be the county judge/executive of Mason County.

The Siting Board anticipates that AEUG Mason Solar, LLC will file its application in the near future. Pursuant to KRS 278.710(1), the Siting Board is required to issue its decision granting or denying the application within either 120 days or 180 days (if a local public hearing is requested). Therefore, Governor Beshear will be appointing you as soon as practicable.

Please let me know if I can provide you any additional information regarding this case. Any communications regarding this case may be directed either to me or Jennifer Fell, Staff Attorney III, at (502) 782-0094. Thank you for your time and attention to this matter.

¹ Secretary Goodman has designated John S. Lyons as her designee for this matter.

² Interim Secretary Hayes has designated Charlie W. Rowland as his designee for this matter.

Sincerely,

Michael J. Schmitt
Chairman
