Shannon,

Morgan District requested permission to pay for 6 zone meter pits back in February 2022. [Scanned Document \(ky.gov\)](#)

The Commission approved those 6 zone meter pits back on March 11, 2022. [Disbursement \(ky.gov\)](#)

You can file a request for clarification if you are unsure or pay the invoice so that it's in the record.

I apologize for the delay in responding as I've been out sick for several days.

Thanks,

Kurt Kruthoffer

Kurt,

Thank you for your help in getting our invoices approved from the surcharge account. There were two others submitted back in May. Both were to Beartraxx for installation of zone meter pits. These might have already been approved but I just wanted to make sure before I cut a check.

Thanks,

<><
