Re: Siting Board Case No. 2021-00235

Dear Mr. Chick

As the Chairman of the Kentucky Public Service Commission (PSC), I also serve as the Chairman of the Kentucky State Board on Electric Generation and Transmission Siting (Siting Board). Therefore, it is my duty to inform you that, on March 1, 2022, the Siting Board received an application from Russellville Solar, LLC requesting a certificate to construct an approximately 173-megawatt merchant electric solar generation facility in Logan County, Kentucky.

The permanent members of the Siting Board are myself and the other members of the PSC; the Secretary of the Energy and Environment (or her designee);¹ and the Secretary of the Economic Development Cabinet (or his designee).²

In addition to the permanent members of the Siting Board, pursuant to KRS 278.702(1)(d)(1), one of the Siting Board ad hoc members is the County Judge Executive with jurisdiction over the area in which the facility will be located. Based on the facts as presented in the application, you will serve as one of the ad hoc Siting Board members as the Logan County Judge Executive.

Pursuant to KRS 278.710(1), the Siting Board is required to issue its decision granting or denying the application within either 120 days or 180 days, if a local public hearing is requested. Siting Board Staff will add you to the service list so that you receive all filings in this case. The docket for this case can be found at: [View Case Filings for: 2021-00235 \(ky.gov\)](https://www.ky.gov/2021-00235).

¹ Secretary Rebecca W. Goodman has designated John S. Lyons as her designee for this matter.

² Interim Secretary Larry Hayes has designated Sydney Montgomery as his designee for this matter.

Any questions regarding this case may be directed either to me or Linda Gosnell, Siting Board Attorney, at (502) 564-3940 or Linda.Gosnell@ky.gov. Thank you for your time and attention to this matter.

Sincerely,

Kent A. Chandler
Chairman
