Information request to Russellville Solar, LLC

The following is first written request for information to Russellville Solar, LLC, following the order entered by the Kentucky Public Service Commission dated 03/17/2022. These are the questions from Linda Campbell.

1. Please answer in detail how will surrounding landowners be protected from damaged solar panels which contain highly toxic cadmium and is a hazard to the land.
2. Please answer in detail how the rainwater that drains from the land that is being leased by Russellville Solar, LLC. when a solar panel is damaged, and the highly toxic chemicals are draining to other farm operators land, crop and animal pastures. Who is liable for the damage?
3. Please answer in detail who is responsible for removal of these solar panels that can not be recycled.

I would like to thank the Kentucky Public Service Commission for your time and help in this matter. Agriculture is particularly important to me

Thank you,

A handwritten signature in black ink, appearing to read "Linda Campbell", written over the typed name.
