**Subject:** case no. 2021-00235 logan county solar project

Good afternoon,

I wanted to add this article to the PSC website but was unsure of how to attach it the website. Please note that this article is very good about explaining some of the risk of solar panels to be in places where the land is used primarily for agricultural purposes.

Solar Farming: Not a Good Use of Agricultural Land | Coastal AgroBusiness

<https://coastalagro.com/solar-farming-not-a-good-use-of-agricultural-land/>

Thank you for allowing me to share this information.
