Re: Intervention in Case No. 2021-00346

Dear Ms. Bridewell:

This is notification, I wish to appear remotely via teleconferencing, for the hearing in this case.

I beg to have this **Hearing, Postponed**, to a latter date, so I can retain Counsel in this matter. As you are aware, I am not an attorney, and have been disabled since 1997, with a spinal condition along with Glaucoma and two Cataracts. I am on a fixed teacher's income retirement and have limited resources. Please consider these factors concerning my disabilities, in postponing your hearing.

I reviewed all the participants in your hearing of Case No. 2021-00370 which involves numerous issues and depositions from countless individuals. Both cases were filed approximately around the same time line. Why would mine, me placed on a **Fast Track**?

KPSC Hearing **Case No. 2021-00370**, has been rescheduled till **February 25, 2022**, for example!

My case concerns the destruction to the **ENVIRONMENT** of my small farm, I'm fighting for, to hand down to my Grand Kids. I would hope that representatives of Kentucky Public Service Commission, would depose representatives of Ky. Electric Power, in a like manner, as they did in **Case No. 2021-00370!**

I will be presenting exhibits, documenting the Ky. Attorney General Office received a Certified Letter, date received, signature and an email from Heather Napier, stating the directors never received them. Also a Fax Transmission Verification Report, showing they received, dated. Phone call to Michael West, Attorney, Ky. Attorney General Office this morning Feb. 7, 2022, app. 10:00 a.m. and made him aware of their **NONFEASANCE**, of **KRS 15.255**. **This is another basis, I'm requesting a postponement of the Hearing!**

Sincerely,

Volney Brent Allen aka Brent Allen
