Subject: 2021-00393 - Kentucky Utilities Company , Louisville Gas and Electric Company

The plan LG&E is offering amounts to a slow death for my children. Continuing to burn coal as the company proposes to do will only further poison the air my asthmatic children already struggle to breathe. It will further heat the atmosphere, creating more of the chaos we already experience in increasing storms, floods, & wildfires. LG&E needs to move to solar NOW. For the sake of your citizens, you need to insist that they do so. Thank you.

Respectfully,
Frances Aprile
