Re: Docket #2021-00398

To Whom It May Concern,

On September 12, 2022 Annie Zocco stated (under sworn testimony) that proposal letters were sent discussing the possibility of tower placement to the owners of large parcels in the western portion of the search area. Zocco stated that, "Robert Wayne and Debra R. Shelton responded but declined to lease space for tower placement." Annie Zocco also said— under sworn testimony at the hearing on July 27, 2023— that both the Nicolais and Sheltons were sent proposal letters during the site acquisition process.

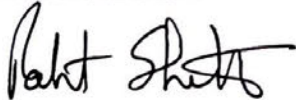

I never received any proposal letter from the Joint Applicants regarding the construction of a cell tower site on my property.

Moreover, I have never "responded but declined to lease space for tower placement."

Any statement to the contrary is false.

Respectfully,

Robert Shelton
