To the Executive Director of the Kentucky PSC.

Case #2021-00398

In Reference to: The Falling Branch Telecommunication Tower

Location: 2589 Blue Bird Rd. Falls of Rough Ky. 40119

RECEIVED

AUG 09 2022

PUBLIC SERVICE  
COMMISSION

The people of Falls of Rough Ky. and surrounding areas are signing this petition IN FAVOR OF a Telecommunication Tower that's scheduled to be built and located at 2589 Blue Bird Rd. as so we can have better communication with our emergency responders, hospitals, schools, virtual learning, businesses, family and friends.

Tillman Infrastructure LLC has submitted and has acquired all the necessary permits and applications for the construction, for your review and signature. It has been 240 plus calendar days since the filing and over 147 calendar days since the public meeting. We are uncertain what the hold up is and would like an explanation or see construction start on the tower.

All we are asking is that you do your due diligence follow all governing guidelines and current laws sign the permit or application with no further delay so that construction can start. We all have NO DOUBTS that this tower will benefit all in and around this area.

With all due respect

Terry & Kimberly Newton
