Case No. 2021-00414 - Filing Deficiencies

The Siting Board Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) SB 257 Section 8(2)(e): Evidence that public notice has been given by publication in a newspaper of general circulation in the general area concerned. Public notice shall include the location of the proposed line, shall state that the proposed line is subject to approval by the board, and shall provide the telephone number and address of the Public Service Commission; No proof of public notice was provided in application.
- (2) KRS 278.706(2)(c): Evidence of public notice that shall include the location of the proposed site and a general description of the project, state that the proposed construction is subject to approval by the Board, and provide the telephone number and address of the Public Service Commission. Public notice shall be given within thirty (30) days immediately preceding the application filing to Landowners whose property borders the proposed site and the general public in a newspaper of general circulation in the county or municipality in which the plant is proposed to be located; Notices provided are in regard to informational meetings.

You are requested to submit the information necessary to cure the deficiencies within 20 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda C. Birdwell
Executive Director
